

2011 CAMPAIGN FOR SUPPORT OF THE LIBRARY

Dear Library Supporter:

Welcome to the prepared, the procrastinators, the overachievers and the overwhelmed!

You've come to the right place because the Memorial Library of Nazareth & Vicinity, an essential and vital community center for education, enjoyment and technology access, has re-imagined the library experience just for you. Your past donations have helped to bridge the gap between taxpayer funding and the full cost of providing new and quality services. This past year we were able to use those donations to:

- Answer your requests to provide free bestselling downloadable eBooks for use with your mobile devices
• Help job hunters write resumes, and fill out online job applications using our high speed internet access
• Provide a Summer Reading Program attended by over 450 young readers from every community in our service area
• Purchase subscription databases containing over 2,500 full text journals and newspapers that offer a free starting point for homework, DIY projects, or whatever you're working on right now.

The Library is the rare institution that offers a lifetime of opportunities for people of all ages and backgrounds. Our annual campaign has never been so important. If at all possible please consider increasing your annual donation or become a new donor at any of the levels listed below. Your support will make such a difference to our future.

Thank you for your continued generosity!
