

ANNUAL CAMPAIGN FOR SUPPORT OF THE LIBRARY

Dear Library Supporter:

November 2008

COUNT ON THE LIBRARY IN CHALLENGING TIMES

We all agree that it is a challenging moment in America. The economy is in flux, unemployment is up, and governments at all levels are cutting services to balance budgets. Yet throughout our history, free and equal access to information, education and learning has been a cornerstone of our democracy and a key to our prosperity.

During these times of economic uncertainty people need access to free information and services more than ever.

- You know Your Library is a welcoming place where people from all walks of life may learn and grow by accessing the books, resources and technologies that enhance everyone's quality of life.

But, pertinent to this moment in time, do you know Your Library provides free opportunities to:

- Fill out government forms online,
Research job possibilities,
Prepare and print resumes,
Learn marketable skills,
Apply for emergency assistance,
Find personal finance information,
Explore options for health and medical help,
And much, much more?

Please take a moment to send a contribution to our Annual Campaign for Support of the Library.

Keep Your Library and its resources a crucial player in helping to weather the current storm.

Thank you for your continued generosity, encouragement and commitment to your Library.
