

## BASIC LITERACY

"Libraries can push Pennsylvania to achieve one of the highest literacy rates in the country, a trained and skilled workforce, and a growing economy, tax base, and population."

Our Basic Literacy programming includes:

- Weekly story times for varying age groups
- Bi-lingual story time
- Book clubs led by library staff and community members
- Summer Reading Program for all ages
- Free Comic Book Days
- Visits to the local elementary and preschools
- Outreach programming to senior citizens
- Local author visits

## INFORMATION LITERACY

"Libraries can help all Pennsylvanians learn how to use online resources and current technology to improve their education, to enhance their job skills, to develop their personal lives, and to fully participate in a digital society."

Our Information Literacy programming includes:

- Learn about technology in a one-on-one setting during Tech Thursdays
- Workforce development and resume reviews
- Coding Clubs for middle schoolers
- One-on-one research appointments for all ages
- NCC Success Express - A traveling RV dedicated to introducing patrons to higher education options and non-credit learning

## CIVIC & SOCIAL LITERACY

"Libraries can play an important role in helping citizens have the knowledge and skills they need to improve their lives, to participate and contribute effectively to their community, government, and society, and to connect with one another through discourse."

Our Civic and Social Literacy programming includes:

- Museum passes
- Community conversations with law enforcement and first responders
- Bilingual story times
- Veterans programming
- Historic tours of the library
- Partnering with the county on voter education
- Introduction to genealogy and ancestry.com

## HEALTH LITERACY

"Libraries can play an important role in helping citizens manage their own and their family's well-being, and empower them to be effective partners with their healthcare providers so they can live longer, more productive lives."

Our Health Literacy Programming includes:

- Health-related workshops led by individuals in the health industry
- Health fairs
- Mindfulness workshops
- Yoga workshops
- Cooking classes
- On-site health screenings and vaccinations

## WHAT IS PA FORWARD?

PA Forward is an initiative spearheaded by the Pennsylvania Library Association focused on elevating library services state-wide and ensuring that these services are available to all Pennsylvania citizens.

With the help of PA Forward, our library strives to provide information and programming that promotes and strengthens the following literacies: basic, information, civic, social, health, and financial.

## FINANCIAL LITERACY

"Libraries can help citizens become informed consumers and guide individuals, small businesses, and other organizations to contribute to the economic vitality of their community through innovation, entrepreneurship, and economic development."

Our financial literacy programming includes:

- AARP Tax Help
- Workshops led by local financial institutions
- Financial research displays
