OF NAZARETH & VICINITY

2023 Annual Report

295 East Center Street
Nazareth, PA 18064

Our Mission:

To inspire and enrich the lives of the residents in our supporting municipalities by offering valuable lifetime literacies and a community centric service approach.

Our Vision:

The library will be the community center of the municipalities we serve, where members of the community share experiences and information and cultivate relationships.

What is the purpose of the Memorial Library of Nazareth and Vicinity? The answer is to provide books, story times, and Internet access. However, our library offers more than that. The library provides a variety of services and access to many resources. These include:

- Programming for children and adults
- A clean, safe place to read, work, study, and collaborate
- Written materials in a wide variety of formats including print, large print, audio, and electronic
- Public access computers
- Wi-Fi capabilities
- Online resources

It is not our mission to provide these services and resources. It is through these services and resources that the library strives to fulfill its mission; this is our unique reason to exist. The methods of how we accomplish our mission are fluid, but the relevance of our mission continues.

A Letter From Our Director

I am excited to reflect on the journey the library had in 2023! Last year was a year of growth and great success, and we could not have done it without the support of this community, our patrons, sponsors, and donors.

We reached a record-high participation in our summer reading program for youth and adults. The community enjoyed a summer with programs, services, social gatherings, and learning opportunities. All year, the library connects our patrons to the world of ideas and encourages a love of reading for all ages.

Funding from our supporting municipalities, grants, and donors allowed us to start a community ukulele orchestra, install a dynamic interactive Everbright wall, host amazing authors, and offer unique programs that encouraged exploring the outdoors, trying new foods,

and learning about healthy living.

Programs were offered in each of the four supporting municipalities which extended library services to all areas of our community. The library is a proud partner with community organizations including but not limited to, Wingate Farm and Equine Spa, Jacobsburg Environmental Education Center, 4-H, Klein Farms, Nazareth Area High School, Nazareth Fidelity Bank, and Pocono Wildlife Rehabilitation and Education Center.

Patrons are the heart of the library, and as our community continues to grow, so do the services the library offers. The library is dedicated to offering a place of discovery, creation, connection, and reflection.

Looking ahead to 2024, the library will further develop its service and program offerings. We hope to expand the ways we reach the community and focus on providing resources that will assist with daily life skills, personal growth, and community relationships.

Additionally, the library plans on working to raise funds to replace the building heating system to ensure maintainability, sustainability, and efficiency. We also hope to begin a campaign to support the renovation of the library basement that will increase digital accessibility and workforce development and offer a designated space for teens.

It's an exciting expedition, and I am grateful to be on this journey with such talented and skilled library colleagues. We couldn't do this without the tremendous advocacy and support we receive from our Library Board, Friends of the Library, and supporting municipalities.

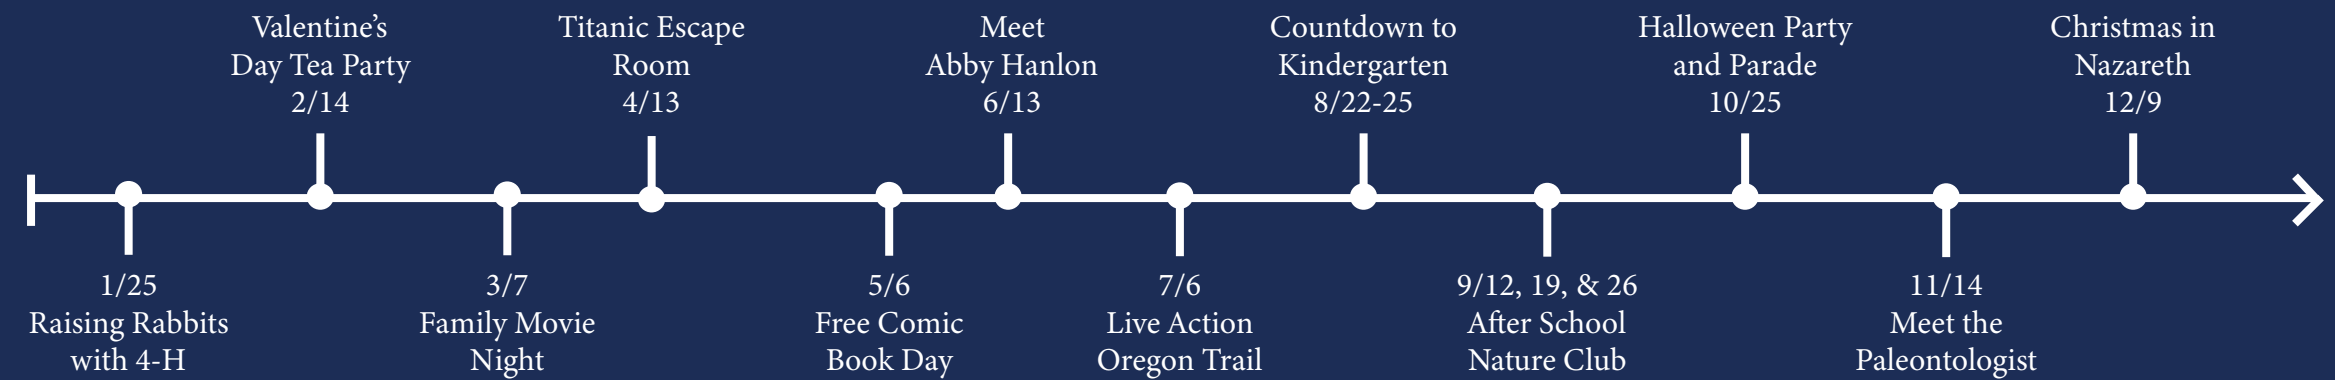

See you at the library!

Facilities

Our library building is a special community landmark. It boasts a historical presence and provides a safe place for the community to learn and gather.

Two deteriorating chimneys on the nearly 100-year-old building were rebuilt in 2023. In

addition, the library's exterior was painted. Both capital projects were funded through a Northampton County NORCO grant and a generous contribution from the Nazareth Borough Council.

The beautiful flowers, landscapes, grass, parking lots, and sidewalks are maintained year-round by public works departments of Nazareth Borough, Bushkill Township, Lower Nazareth Township, and

library volunteers. All of these entities contribute to ensuring the library grounds are lovely.

Inside the library walls, Brenda Reinert, a devoted library volunteer, is working to care for our delicate and aging building. Brenda's attention in 2023 focused on maintaining and improving the library's heating and cooling systems. She also worked to improve energy efficiency throughout the building

by improving insulation and installing LED and sensor lighting in key areas of the building.

The library board is committed to preserving the historic characteristics of the library building. In 2024, the library plans to publish the 2024 - 2029 Strategic Plan that will prioritize the facility's maintainability, sustainability, and efficiency.

Circulation of Library Materials

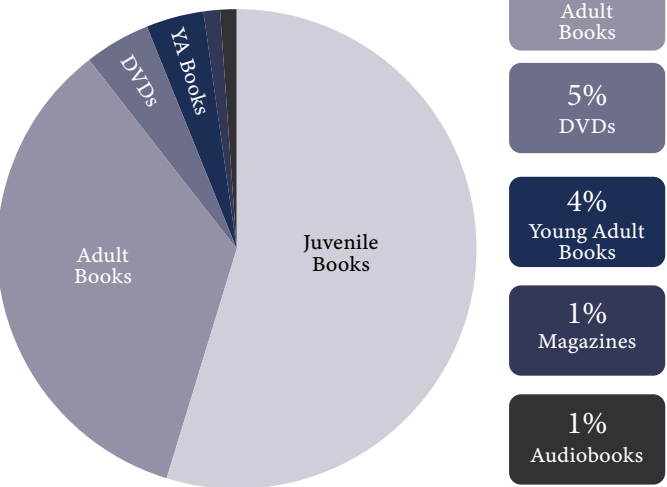

The library is proud to offer over 65,000 items in our collection of books, technology, and physical items. Our collection includes over 15,000 electronic E-Books, nearly 2,000 audiobooks, and 2,800 DVDs. With over 13,000 patrons registered in good standing, the library circulated over 128,000 items in 2023.

Twelve public workstations are available for public use, and we offer wireless internet connectivity and personal technology assistance to patrons. Patrons consult the library website to keep informed of all the services available. In 2023, there were nearly 50,000 visitors to the library website.

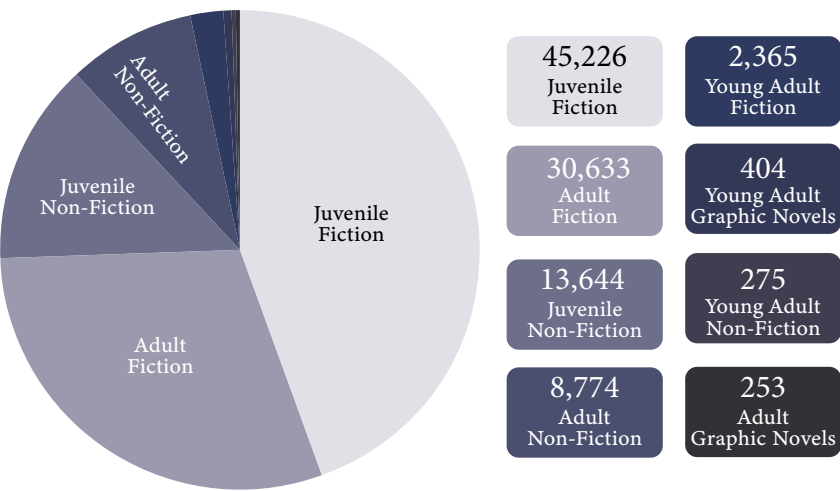

In 2023, the library offered a total of 447 programs for all ages including outreach opportunities in all of our supporting municipalities. Over 2,000 children, birth–age 5; 2,300 children, ages 6-11; and 323 young adults attended programs last year. Adults also engaged in the library programming, as 3,600 adults attended programs in 2023.

The library continues to listen to the community to cultivate a collection that meets community needs and offers beneficial programming and fun to all ages.

In Remembrance

Terri Sayago
1949-2023

Terri Sayago, who was a devoted member of the Library Board of Directors for the Memorial Library of Nazareth and Vicinity, will always be remembered. She loved the library and was appointed to the board during the summer of 2007.

"Terri was a wonderful colleague and mentor and helped guide the library to serve the community in so many ways. Her leadership, passion, and friendship will be greatly missed," said Holly Bennett, Executive Director of the Library. "She was one of our strongest supporters and biggest advocates and I will miss her presence at the library."

Since 2007, Terri served on the Library Board continuously including in roles of the President and Vice President. Terri was instrumental in organizing and implementing the annual Touch a Truck fundraiser and doubling the representation of all townships on the Library Board.

Terri lived the words of Chandini Portteus, "You fight for what's right, you set that vision of where we could be and then you go after it yourself."

"I love that the library has expanded its role in our community by offering a music program through its Ukulele Orchestra. It has provided enjoyment to both its young and senior members, beginners and ukulele virtuosos, by increasing their playing ability but more importantly by developing new friendships."

-John Peeters,
Ukulele Orchestra Member
